Risk, Regulatory & Compliance

Industry Knowledge

“ FUTURE OF WORK ”

75 million jobs displaced
by automation

133 million new jobs emerged &
some are not known today

Our Future

- Automated
- Digitised
- Analysed
- Predicted
- Made possible with tech such as AI, robotics, big data and more

WAYS HKPC CAN HELP

Together, we can bridge
the gaps in education
with technology
applications

WHAT IS INNO SPACE?

- One-stop support centre for startups, students, makers and designers.
- Bring out the inventor and thinker within students.
- Enable students to envisage and experience the link between today's knowledge and tomorrow's opportunities.

Signature STEM Initiatives

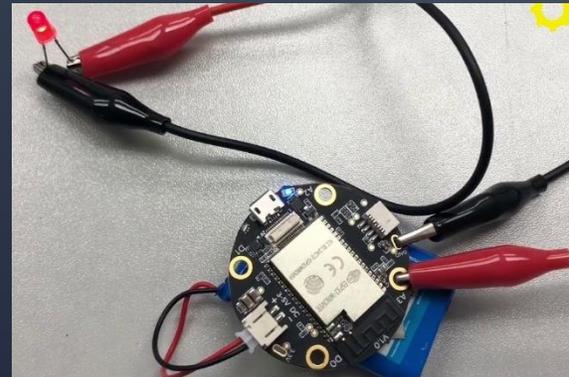

- Aerosim

- Esports

- Makeblock

- Hour of Code

- Robotics

and many more...

“Where do we stand in a future of innovations?”
“We must prepare next gen talent for their future.”
